10¢ per copy

Gerald Paradis Wins

GERALD PARADIS

Gerald Paradis, 15 years of age, has won the Governor General's award for the Sturgeon School Division in the 1967 June departmental examinations for grade 9.

He attended the Saskatchewan school in the hamlet of Lamoureux, from grade 1 to 8 and took grade 9 at Horse Hills. This means he received his education until this period in division one of the Sturgeon municipality

which is represented on council by George Wilson, chairman of the school board. The son of Mr. and Mrs. Francis Paradis, Gerald is the eldest of four children.

A. Letts, W. Heppler, A. Perrot, P. Kozdrowski and Mrs. J. Speer were Gerald's teachers in grade 9.

Gerald told the Gazette that it is difficult to pinpoint any one inspiration he has had to keep him studying but says his parents were always interested in school activities and almost every teacher he had inspired him in one way or another. He said he certainly had no complaint against the rural school system and felt their schools are as good as city schools or any others.

Gerald now attends St. Josephs High School in Edmonton under a tuition agreement between the Sturgeon School Division and Edmonton Separate School System.

Curling

St. Albert's curling rink opens for play on Oct. 21, with the regular draws for the mixed league at 7 and 9 p.m.

A kilted Highland piper will be on hand to pipe the curlers on to the ice at seven o'clock and to Mayor Richard Fowler has the honor of delivering the first rock of the new season.

Rink Manager Art McCormack reports an increase in the number of rinks this year, most noticeable in the mixed leagues where an extra night had to be arranged to accommodate a total of

48 mixed rinks. Two years ago there were 24 rinks in mixed curling. Thirty rinks have entered in the men's league and 22 in the ladies, 12 in the evening league and 10 in the afternoon. High school students have made up 20 rinks and the St. Albert Teacher's Association has twelve.

In addition to the regular local leagues, time has been scheduled in the rink for curlers from the Charles Camell Hospital and the Belvedere Community League.

Lack of Roads Not Taxation

Mayor Fowler submitted a verbal report to a special meeting of St. Albert Council dealing with a meeting that he and Mr. Fleming had attended with the representatives of an industry. He advised that this firm had investigated the feasibility of building a new plant in St. Albert. At the same time they were investigating the possibility of building in Spruce Grove.

The Mayor advised council that the representative had contacted him and stated that due to the fact that there was no access road to either industrial location

in St. Albert and because they were going to begin construction within 15 days that they had decided that they had to build in Spruce Grove.

Mayor Fowler stated that he definitely pinned them down by asking if the tax situation was the real reason that they had chosen Spruce Grove. He was definitely assured that the tax question had hardly figured in the final analysis and that it was only the fact that there was no road, otherwise they would have built their plant in St. Albert.

Cont. on page 2

Mayor Richard Fowler casts his vote at Father Jan School.

Elected to Council

RICHARD WHEATLEY

JOHN BAKKER

In the Oct. 18 elections in the town of St. Albert, Dick Wheatley and John Bakker were re-elected to council with votes of 825 and 765. Don Bull, a newcomer to council has also been elected with 654 votes.

There were a large number of single and double votes but the highlight of the election proved to be a two-way tie for the separate school board with Ron Harvey and Bill Penrose tied with 498 and Robert Russell and J. A. Wiltshire also tied with 468 as three are to be elected here the tie between the last two must be broken. It may be broken by the drawing of names.

Donald LaBelle and Mrs. Sara Ross are in as public school trustees.

There were 5,140 eligible voters and an "educated guess" would say from 25% to 30% turned out to vote.

The by-laws were both defeated. With one poll to hear from at press time the results were as follows:

	Bakker	Bull	Kambouroff	Lukay	Wheatley	Zuldema
Adv	16	15	9	16	15	6
1	24	30	17	9	28	34
2	41	45	48	21	79	28
3	37	43	29	26	55	30

It Could Only Happen in St. Albert

The returning officer, council and staff of St. Albert found themselves in an embarrassing position when they opened the literature for this election under the heading Guidance for Voters. Along with the usual name of Doe on the sample ballot

was also the name of Bull. Don Bull is one of the candidates running in the election.

"The printer never expects to find many does running", said a councillor, "I guess he did not expect any bulls either".

St. Albert High School held their 1967 graduation exercises on Oct. 12. Graduands in picture are from left to right, front row: Sharon Swain, Helen Iseke, Cheryllyn Borle, Christine Olsen, Linda Olumet, Georgette Lessard, Anne Hayday, Diana Dettling. Second Row: Janet Oliphant, Judith Bernard, Dianne Soetaert, Gloria Blais, Rosemarie Kluthe, Yvette Houle, Yvonne Bugnet, Sylvia Bergevin. Third Row: Ted Kaklin, Pris-

cille Lesburg, Aimee Como, Lucille Munroe, Lucille Sabourin, Sheila McLeod, Joan Whitton, Betty Parko. Fourth Row: Barry Flynn, Brian Klak, Phillip Lema, Roland Perrott, Adrien Kramps, Gordon Maine, Jacques Bourgeois, Ken Dalphond. Missing from the picture are Roger Beland, Arlette Curial, Rachelle Cournoyer, Raymond Henry, Beth Myers and Dini Rapati. Story next week.

Paul Kane Awards Night

These were the top students in their respective grades at Paul Kane high school for the 1966-67 school year. Terry Hryniew, grade 11; Debbie Whitman, grade 12; Chris Soder, grade 10 and Elaine, grade 9.

by Hennie Stibbe.

Scholastic excellence and outstanding contributions in the field of sports were acknowledged at the Annual Paul Kane High School Awards Night, held in the school auditorium last Oct. 11. There were 112 Awards, Pins, Medals, Scholarships, Bursaries, Trophies and Certificates presented to students from Grades 9-12.

The Grade 9 Trophy, awarded to the student with the highest academic average based on Grade 9 Departmental Examinations was won by Elaine Tomten of Alcomdale.

The Birks' Medal, awarded by Henry Birks and Sons Ltd., to the Grade 10 student achieving the highest academic standing was presented to Chris Soder of 41 Greenwich. The Birks' Medal awarded to the Grade 11

student achieving the highest academic standing was won by Terry Hryniew of 78 Sunset. The Hudson's Bay Company Trophy - awarded to the Grade 12 matriculation student achieving the highest academic average in at least six Grade 12 Departmental examination subjects including Social Studies and English went to Debbie Whitman of 3 Sylvan. Miss Whitman has entered the University of Alberta and is working towards a degree in Science.

The Edmonton Exhibition Association Award for Proficiency in Home Economics was won by Patty Nickerson, daughter of Mrs. Leo Nickerson, St. Albert Trail. This is the third successive year Patty has won this award.

The Associate Medical Clinic Centennial Scholarship awarded to a St. Albert student entering the Medical Arts field was won by Leslie

Holman of 19 Sable. Miss Holman has entered the Royal Alexandra Hospital School of Nursing.

Elaine Tomten won the Sturgeon School Division Award, the St. Albert Women's Institute Award, and the St. Albert Lions Club Award. Other Lions Club Award winners were Stephen Laird of 12 Greenview, who achieved second highest marks in the Grade nine departmentals in the Town of St. Albert, and Debby Whitman who received second highest standing in the Grade 12 departmentals in the Town. Receiving the Sturgeon School Division Award for Grade 11 was Linda Whitson. The Blake Pratt and Knidan Architects Graphic Arts Trophy was won by Wesley Jobe of 46 Grandin. The C. A. Kleingelst Fine Arts Trophy was awarded to Judy Powell of 64 Gladstone.

The Gazette regrets there is not space to publish the names of all winners of awards.

expressed concern about some aspects of this replot and stated that they would like clarification of the costs involved in this replot and the calculation of reserves.

Report of the Engineers is to be referred to the Planner for a report and further that the Secretary-Treasurer be requested to submit a report on the charges of the Replot.

Mayor Fowler stated that upon receipt of the completed tests and analyses from Lamont, Dewhurst, Westcott & Fraser Ltd., he and the secretary-treasurer had agreed to recommend to council that the files of candidates be submitted to the department of preventive social services, welfare department for the final decision.

Mr. Wheatley objected to this course of action stating that he felt that council should reach an agreement on the director and submit this decision with the files to the welfare department. Mayor Fowler advised that in his opinion the welfare department would probably leave the appointment to council's discretion.

It was decided to forward files to the department.

Present were: Mayor Fowler, Councillors Bakker, Wheatley, Donais, Gibbon and de Bruijn, secretary-treasurer, J. M. Fleming; J. Woodroffe, Edmonton Regional Planning Commission, J. Maandag, Town Engineer, and Mrs. J. Mustaklem, Recording Secretary.

Mayor Fowler called this special meeting which was held on Oct. 16 to consider the following matters:

Appointment of a Social Services Director.
Forestlawn Replot.
Consideration of Industrial Development.

Babysitters Note

A babysitting course, sponsored by the IODE, will be starting Nov. 1 in the club house at 6:30 p.m.

Those wishing to enroll must be 12 years or older. Fee .50¢

St. Albert Recreation News

The Gourmet Cooking course got off to a flying start on Oct. 16 in the Music Room at Leo Nickerson School. Mrs. Joyce Pearson, Home Service Director of Northwestern Utilities, spoke about the art of good cooking. The next talk and film will be on Oct. 23 at 8 p.m. in the same school. On this occasion arrangements will be made to visit the Gas Company's kitchens on Nov. 13 and 20. As mentioned before, accommodation in the kitchens is limited and if you have not already done so, please let us know if you are interested in attending. Phone the Department at 599-6601.

HERCULES SPORTS ASSOCIATION

At a recent meeting of the association, Tom Ferguson was elected president and fees for membership were set at \$3 per person or \$5 per family.

BOXING

The boys enrolled in the Boxing Division are training every Monday and Wednesday in the St. George Simpson Elementary School at 7 p.m. They are preparing for a boxing card which will be held in November. Boys interested in joining this division should phone Frank Kelly at 599-6824.

FENCING

Registration for fencing will take place at St. George Simpson Elementary School on Oct. 24 at 7 p.m. Boys and girls from 10 years of age and over are eligible to join and adults. If enough adults show interest, consideration will be given to the setting-up of an adult class. Karl Jegodka is in charge. For further information, phone 599-7174 or Tom Ferguson at 599-7061.

The department would like to add its congratulations to the triumphant Pee-Wee Soccer team. We, in St. Albert, are indeed proud of these young players.

Newcomers Club Christmas Dance

The Newcomers' Club met Oct. 4 at the Club Mocombo.

Following dinner a short business meeting took place.

The evening's entertainment consisted of a song-title scramble, carrot game and several games of bingo. Prizes were won by four recent newcomers to St. Albert, D. Lange, K. Shypitka, M. Beckwith and A. MacDermott.

There is a cosmetic demonstration planned for the November meeting.

A reminder to members. The Annual Christmas Dance, Dec. 1, tickets will be on sale at the next meeting.

The hubbles are included in this big event of the year.

Any of the ladies who are newcomers and interested in a night out with the girls, don't hesitate - give B. Phillips a call at 599-8625. We would be most pleased to have you join us.

Morinville Election Results

Vince Curtis

Gilbert Boddez

In the Oct. 18 elections for the town of Morinville Vince Curtis won a seat on council with 254 votes. The second seat goes to Gilbert Boddez with 131 votes.

Losers in the election

were Paul Chalfoux, 127, only four votes below Mr. Boddez, and A. Storey.

Due to publication time these counts are being published although they are still unofficial at press time.

Sunday Sports Passes

Sunday sports will now be allowed in Legal after the passing of a plebiscite on Oct. 18.

There were 530 eligible voters but only 61 went out to cast their ballot.

The result 56 votes for

the by-law and only five against.

Romeo Boissonault, town secretary-treasurer reports that the town council is very happy with these results.

WELCOME WAGON

Welcome to St. Albert more new residents:

Mr. and Mrs. Bernard Bakus and family; Mr. and Mrs. Edwin Schmidt and family; Mr. and Mrs. Douglas Scotney and family all of the Grandin area.

Mr. and Mrs. John Hainsworth and family; Mr. and Mrs. Peter McCaffery and family; and Mr. and Mrs. Lawrence Pitchford all of the Sturgeon area.

Mr. and Mrs. Etienne Creurer and family; Mr. and Mrs. John Chopp and family; Mr. and Mrs. Gary Svendsen and family; Mr. and Mrs. Kenneth Thorlakson and family; and Mr. and Mrs. Evert Vaanhout and family all of the Grandin area.

Mr. and Mrs. Dennis Merrigan and family; Mr. and Mrs. John Mitchell and family, of the Sturgeon area.

Death Notices

Owen P. Grice of 49 Balmoral passed away on Oct. 12. He leaves to mourn his loss his wife Doreen and two sons David and Steven.

I. W. Schwab of Edmonton passed away in his 81st year Oct. 10. He is survived by his daughter, Mrs. A. Nimsick of 16 Grandin Road.

ANNOUNCEMENT

The engagement is announced of Merrilyn Sandra, eldest daughter of Mr. and Mrs. Clarence Hayes, St. Albert Road, to Mr. Lawrence Henry Kozdrowski, son of Mr. and Mrs. Joseph Kozdrowski, of Chipman.

The wedding will take place in St. Albert Roman Catholic Church, 11 a.m., October 28, 1967.

Have Your Circumstances Changed..

... since your life insurance policies were last checked by a qualified representative? Any one of several events—marriage, an addition to the family, purchase of a home, increase in salary or the receipt of a legacy — can mean that a change in your estate planning is necessary. Perhaps you need greater insurance coverage. On the other hand, perhaps you merely require an up-to-date estate analysis in line with your changed circumstances.

Without obligation, I will be glad to discuss your life insurance situation with you. I am sure that such a discussion will be helpful.

Board Allots Use of School

At the Sept. 21 meeting of the St. Albert Separate School Board various classrooms were allotted for use by Sunday school classes. R. Harvey, chairman; Dr. W. D. Cuts, Messrs. C. Schroder, R. Russell, Dr. J. W. Chalmers, superintendent; R. Murray, secretary treasurer; and four members of the public, R. Maltby of Dennis & Freda O'Connor & Maltby.

The Superintendent reported that he toured two schools regarding the use of the school for Sunday school classes. He advised that in the case of the Sir George Simpson Elementary School the Sunday school will not require the use of classrooms. It was decided to use the staff room for the nursery, and a number of alcoves leading to the classrooms for the Sunday school classes. He mentioned that in the case of the Leo Nickerson School the audio-visual room, staffworkroom the sick bay, and a number of alcoves would also be used for Sunday school classes.

The Superintendent recommended that new rental rates be set for areas presently not covered by the rental schedule. He recommended that the audio-visual room be classed as equal to the library and a rate of \$75 per year be charged. He recommended also that all other areas used such as alcoves, be rented for \$25 each, and that the audio-visual room be rented for \$75 per year, and that staff room and other rooms be rented for \$50 per year. Olivetti Underwood Limited, advised of a new price for calculators.

Twilight Production had requested the use of approximately 250 chairs for the Centennial Pageant. This was granted.

The secretary-treasurer advised the board that the next Zone 2 meeting is to be held on Oct. 6 at the Bonaventure Motor Hotel. It was agreed that possibly three members would be able to attend. However, a decision will be made at a later meeting after the agenda has been received.

The holdback in the amount of \$28,477.02, less \$1,000 to cover incomplete electrical and mechanical work, be released to Newbert Construction and Engineering Limited effective Sept. 26.

The secretary-treasurer referred to a meeting held with officials of the department of education regarding the cost of providing a noon hour bus service, he mentioned it was agreed that an amount of \$300 be subtracted from the monthly costs before claims are made from the school foundation program fund.

The superintendent was reminded that the board wished his recommendation regarding the continuance of the noon hour service and also the possibility of allowing students to remain in school during lunch hour.

The secretary-treasurer requested the board's direction regarding the contract between the bus con-

tractor and the board. He will renegotiate with the contractor regarding a clause to allow for adjustments each year of the contract.

The superintendent recommended that Mrs. J. Lubitz be given a temporary contract for the period Sept. 19, to June 30, 1968.

The superintendent also advised that a number of transfers within the system have been made since school opening. Further information will be provided for the next meeting.

Mr. Schroder advised that a tour of the Sir George Simpson Junior High School addition has been arranged for 9:00 a.m. on Sept. 23. He invited all members to attend if they so wished.

Mr. Harvey requested the secretary-treasurer to contact the secretary-treasurer of the town regarding the

reasons why the road leading to Sir Alexander Mackenzie School was not completed this year.

Mr. Schroder requested that the secretary-treasurer write to Mr. Maltby regarding the problems encountered with the incinerator at the Leo Nickerson Elementary School, and also to request that the matter be looked into.

Mr. Murray recommended that the board continue sponsorship as in past years of the seminar for secretaries to be held on Oct. 21 at the Sharon Caravan Hotel. He mentioned that the registration fee for each member of the staff would be \$6. Approval was granted for attendance of all secretarial staff.

The acting superintendent approved at the meeting held on Sept. 14, was changed to J. M. Black.

Town Council

A by-law was introduced amending the rate of interest to 7% to cover any further fluctuations and that the by-law be duly advertised, also that council advise Mr. McLeod of G. C. McLeod Ltd., to start work immediately and that we also advise G. C. McLeod Ltd., that if we are prevented from obtaining the funds for this work in this manner that money will be provided from some other source. By-law received first reading.

A letter was received from the S.P.C.A. asking that a straight \$10 ticket be amended into the by-law instead of the progressive charges of \$5, \$10, \$15 and so on up for each successive offence. This was accepted.

The Accounts payable for August in the amount of \$46,570.58 for the General Account, \$2,350.94 for the Welfare Account and \$59,889.23 for the Capital Account were authorized for payment after being approved by the Finance Committee.

Mr. de Bruijn now brought up the matter of the names of Namas Road and Edmonton Road. He wanted to know why they were named as such and, if for no specific reason, new names should be provided. Staff will investigate.

As previously reported a resolution was passed that the deputy mayor receive

continuation of minutes from last weeks paper remuneration when acting for the mayor for extended time periods.

Council questioned whether the action could be taken without the approval of the Department of Municipal Affairs. The action will be cleared by both the department of municipal affairs and the local authorities board.

Mr. Gibbon moved an amendment to this motion that this action take place after Oct. 3. This was defeated.

After amendments and so on the final resolution read: The Deputy Mayor be compensated for extended periods of time that the Mayor is away and he assumes the chair; provided that this action is approved by the department of municipal affairs.

Mr. Wheatley stated that he noticed that cars had been using Mission Park as a parking lot and that he felt that some action should be taken to stop this to prevent the grass from being damaged.

Signs will be erected at any road entrance to Mission Park preventing vehicles from driving over grass areas of the Park.

Mr. Wheatley brought to the attention of council a recent article in the Edmonton Journal regarding the new format for agendas for council meetings of the City of Edmonton. He advised that in his opinion this matter should be further investigated.

LAST CHANCE for ADULT EVENING CLASSES

Persons interested in registering for evening classes in high school, hobby, or general interest courses are invited to attend a meeting at

Paul Kane High School
Monday, October 23, 1967
at 8:00 p.m.

Scrolls Presented

At the Oct. 10 meeting of the St. Albert Town Council Mayor Richard Fowler presented Centennial Scrolls to various organizations for their contributions to Centennial year. Scrolls were presented to the following: Mrs. Peterson for the Burning Bush Guild of Braeside Presbyterian Church who planted shrubs at all churches in St. Albert.

Mrs. Venne for the St. Albert Women's Institute who landscaped the community hall.

Mr. Terreault for the St. Albert community league who completely renovated the community hall.

John Blackie for Paul Kane High School who arranged a trip to Expo '67.

Mr. Webber for the Lions Club of St. Albert who provided a park for St. Albert.

A vote of thanks was given to all groups who participated in centennial projects for the town is better because of these projects and many more like them that are taking place throughout this year.

Those present were: Mayor Fowler, councillor Bakker, Wheatley, Gibbon and de Bruijn, J. M. Fleming, secretary treasurer; S. L. Billings assistant secretary treasurer, J. X. Woodroffe, Edmonton regional planning commission, J. Maandag, town engineer, A. R. Gate, superintendent parks and recreation department and Mrs. J. Mustaklem, recording secretary.

Court of Revision date for Business Tax Assessment - Mr Fleming informed council that there was only one appellant and that it was his recommendation that council consider this appeal at the next regular meeting of council at 7:15 Oct. 23.

Mr. Bakker stated that the first resolution to the A.U.M.A. convention he was concerned with was the winter works program. He stated that in his opinion that this should be based on the number of freezing days in a specified area instead of the resolution in its present form. On the whole council did not feel that this amendment would pass since the majority of Canada's population lies a good deal south of Edmonton and there fore the number of freezing days in the year are definitely less than in this area.

The second resolution he wished to consider was the matter of used car bodies which are a nuisance to all municipalities. In his opinion there should be a grave yard charge established on all new cars to provide a fund for disposal of car bodies.

This amendment was passed.

Resolution #20 concerned the financial year date and the timing of budgets and so on. Mr. Bakker stated that in his opinion the financial year should begin on July 1. This will be discussed at the next regular meeting of council, Oct. 23. All resolutions will be discussed then.

CORRESPONDENCE:

Council discussed a letter from the Local Authorities Board and the consensus was that it needed further clarification.

ication from the Local Authorities Board for an explanation.

The letter from the Alberta Assessment Appeal Board was introduced by Mr Fleming. Council were advised that this letter was self explanatory and that this meant that the general assessment was invalid. Councillor Bakker stated that he felt that a bill should be submitted to the municipal affairs department for the costs incurred to the town for this assessment. Council were informed that the town has received an invoice from the department of municipal affairs as well as a reminder that this bill has not been

paid. Council was quite indignant at this point and stated that the town would refuse to pay this bill and also that we should ask for the costs incurred for court of revision fees, recording secretary's overtime fees, mailings, etc. Mr. Fleming stated that he did not feel that it was a good policy to ask the department of municipal affairs for the interest which has been incurred. He stated that this might possibly prove to the detriment of the town.

Council will submit a bill to the department of municipal affairs for the costs incurred for the court of revision, the recording secretary's fees, mailing charges and the interest charges as determined by

the staff from July 11.

Mr. Wheatley advised that he would like a clarification as to how the land assessment is being determined for the town of St. Albert.

A meeting with the assessor was scheduled for the next regular meeting of council to ascertain the basis of land assessment which is going to be used in the town of St. Albert for the 1968 assessment.

Mr. Fleming introduced a letter from the Workmens Compensation Board concerning our Safety Merit rebate. Mr. Fleming stated that the full rebate was 25% but due to our accident experience in 1966 we were only entitled to a 2% rebate. Council requested a report giving the details of such

accidents.

NEW BUSINESS:

Councillor Bakker stated that he had an appeal following the decision of the building inspector regarding the decision taken on application #214 at 20 Sable Crescent, regarding the side yard requirement. He advised that

the resident wanted to build an attached family room which would leave him with a side yard of 5' instead of the required 7'. This appeal was allowed.

With respect to appeals following the decision of the

Dirty Furnace Filters will Rob Your Home of Heat this Winter!

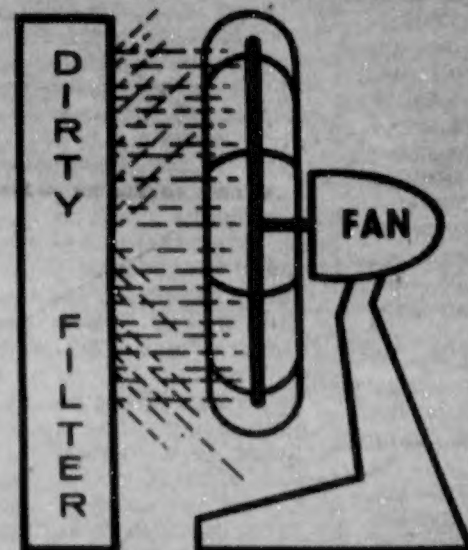

Replace or clean the air filters in your furnace now—for the heating season ahead! Plugged filters cause loss of heat and may cause expensive damage to your furnace.

THESE ILLUSTRATIONS SHOW THE IMPORTANCE OF KEEPING FILTERS CLEAN.

CLEAN FILTER

Clean furnace filters function correctly, allow the free passage of clean, warm air to heat your home. Your furnace works efficiently, you get the most from the natural gas you are burning.

DIRTY FILTER

Clogged furnace filters reduce the flow of warm air. The result: Loss of heat and possible over-heating of the furnace, which could cause serious damage, and entail expensive repairs.

HERE IS YOUR SEVEN-POINT HEATING SYSTEM CHECK LIST

- 1. MOST FILTERS** are of the disposable type. Remove them and you'll find that you can clean them by a good shaking; or use your vacuum cleaner. If they obviously need replacing you can obtain proper-sized filters at hardware or department stores or from your local heating contractor. Permanent-type filters (Metallic Filters) should be cleaned and re-oiled as required.
- 2. AT LEAST TWICE A YEAR** your furnace filters should be checked and cleaned. This can be a "do-it-yourself" project for the average homeowner. If you prefer, call your heating contractor, plumber or furnace serviceman and arrange for a complete heating system check-over.
- 3. FURNACE MOTOR AND FAN** bearings should be lubricated to the manufacturer's instructions.
- 4. FURNACE VENTS** should be free of any blockage and checked for state of repair.
- 5. REGISTERS** should be cleaned of dust and foreign objects.
- 6. LOOSE-FITTING DOORS** and windows result in an overall loss of heat. Application of weather stripping will prevent this. But don't turn your house into a "sealed box". Some fresh air inlets are important to health and safety.
- 7. FURNITURE** should be placed so that hot or cold air registers are not obstructed.

OUR READERS — — — have their say

I told you so

So now we have our tax notices!

My taxes this year are \$523, - last year they were \$399. When I first came to St. Albert in 1960 they were \$292. My difficulty is that my income has not increased by 75% to keep pace.

If this sounds like an "I told you so" letter, that is because it is!

In the recent municipal propaganda I read the following: "If we compare with Edmonton's 52 mills our rate looks grim. St. Albert does not get the equivalent of 19 mills in utility revenue and that makes quite a difference." (Prof. Bakker.)

"If the provincial municipal experts had paid attention to the evidence in the 1956 Alberta McNally Commission report on metropolitan development, they would have realized that skyrocketing taxes would result when town development of low and average price homes, no industry, municipal ownership of money-losing water and sewer utilities, and private ownership of profitable electric, telephone and gas utilities was allowed." (Mr. Wheatley)

When I said that during the provincial election in May, I was called a %*! & Socialist! Perhaps these two candidates should have supported the N.D.P. during the recent campaign - they are now repeating our programme.

The fault lies with the Provincial Government which in my opinion is formed of men who are 50 years behind the times in their thinking.

I have said it before, and I say it again - St. Albert is not the same as other towns. It will never attract industry because it is too close to Edmonton. The policy of the Social Credit government forces the town of St. Albert to compete with the big corporation - Edmonton. We received the results of this little bit of private enterprise in our mail last week!

We in St. Albert need a straight cash grant from the provincial government to equalize our taxes with those in the city.

Charity? Not at all!

What the government does not realize is that our people work in Edmonton, and for that matter, all over Northern Alberta. Their work creates business in Edmonton. Our housewives, much to the chagrin of local merchants, do a lot of their shopping in the city. This creates more business in Edmonton.

When these businesses pay taxes, who gets them? The City of Edmonton!

All we want is our own money back!

We need a provincial, or Greater Edmonton, equalization programme similar to the one which the federal government has with the provincial governments.

However, there may not be another provincial election for four or five years, and

Heads in Sand

I am of the opinion that we as tax-paying residents of St. Albert can not afford to stand idly by, with our heads in the sand, and watch our tax bills rise at the chaotic rate evidenced in the last few years. This is perhaps contrary to what Mr. Cass (Letter to the Editor, Oct. 11 edition) and some other prominent citizens would have us do. How anybody can be calm when faced with a mill rate of 73 is certainly beyond my comprehension.

With regard to the possibility of our Community becoming a part of the Edmonton Metropolitan Area, I am certain that no one in St. Albert wants amalgamation with Edmonton just for the sake of amalgamation. On the other hand, I am reasonably confident that 99% of our citizens are looking for some relief from a taxation burden which to the average wage earner is becoming more than unbearable. The means by which this is to be accomplished is a question which will certainly give our civic administration something to think about in the weeks and months ahead. Unless this problem is resolved, it is a foregone conclusion that many residents will be driven out, and few residential or commercial interests will be attracted in. This can only worsen our present situation.

Rather than waste precious time arguing over whether or not the air is fresher in St. Albert than it is in Edmonton, or sitting around waiting for the situation to improve through a decrease in school enrollment, let us deal now with the taxation problem. If it means going to the Provincial Government and begging for assistance, then go we must en masse! If, on the other hand, amalgamation with Edmonton is the only solution then let's get with it. Maybe consideration should be given to the annexation of all properties to the south of us up to the city limits. We may have to provide a real incentive for Edmonton to become a marriage partner taking into consideration our present financial situation!

Incidentally I would like to know where all these stories regarding Jasper Place's fate following amalgamation originate from. My parent's who happen to live in this community had their property tax bill reduced by \$127, they have much improved bus service, recently paved streets in their district and amazingly enough are not the least bit upset by these developments.

Yours very truly,
W. L. Hite.

PEOPLE MAKE NEWS

Items for this column may be telephoned to Hennie Stibbe, at 599-7448 or brought to the Gazette Office Perron Street. There is no charge and we welcome news of the activities of St. Albert residents each week.

Now it is Partially Known

I am prompted to write this letter as a result of some misunderstandings that have arisen from the public meeting held on Oct. 4, 1967, in St. Albert at which amalgamation of St. Albert with Edmonton was discussed.

The Citizen's Amalgamation Committee believe this public meeting was most successful and were encouraged with (1) the high attendance, (2) the stimulating discussion the report initiated and (3) the fact that additional public meetings on the amalgamation issue will be forthcoming early in 1968.

As stated in the report presented at the meeting the committee believes that the basic advantage of amalgamation with Edmonton is an economic one - we will benefit financially from Edmonton's much broader tax base (approximately 40% of Edmonton's taxes are derived from commercial and industrial assessment as opposed to about 7% in St. Albert); and the basic disadvantage, the loss of our local self government. The main issues appear to be clouded in a cloak of relatively minor points - specifically recreation and services (snow removal, street maintenance, and garbage disposal).

Some people are concerned that Edmonton taxes might possibly soar in the near future. The committee had only the past mill rate history of St. Albert and Edmonton to study; and based on this made two conclusions: (1) St. Albert taxes will continue to increase at a quicker rate than Edmonton taxes, (2) Edmonton taxes will increase but not soar. Undoubtedly council will make more sophisticated projections of the future Edmonton and St. Albert mill rates and what these will mean in tax dollars and present their findings as part of their amalgamation educational program.

Agrees with Mr. Hite

I have seen Mr. Hite's letter and I agree wholeheartedly with it.

I would like to add further that in my estimation, anyone who would sanction such increases in our tax structure, must come from very wealthy families or be earning in excess of \$20,000 yearly (which I am sure is not in the general wage capacity) or barring both of these attributes, must be "nuts"!

Signed K. M. Wolsey.

PEOPLE MAKE NEWS

Mrs. Isabel McMillan, accompanied by her son-in-law and daughter, Mr. and Mrs. Alec Thomson and their daughter Sandra, have just returned from a trip to Great Falls, Montana.

While there they attended the 50th wedding anniversary of Mrs. McMillan's brother-in-law and sister, Mr. and Mrs. Gordon Robertson.

There is also concern, in some circles, that if amalgamated with Edmonton our open air and quiet streets would disappear. The amalgamation committee believes that if annexed very little if any, physical changes would occur, if amalgamated with Edmonton we would still have the same houses, lots, valleys, quiet streets and clean air - for those of us sufficiently removed from the dump, that we now enjoy. However, ratepayers would most certainly enjoy an appreciably lower tax notice.

As a result of a plea to give council time to study the effects, presumably both advantages and disadvantages of amalgamation with Edmonton a resolution was passed at the meeting that town council hold public meeting early in 1968 on amalgamation. Because this resolution was satisfactory, the amalgamation committee felt it was not necessary to present their resolution which was similar in intent.

In anticipation of these meetings the Citizen's Amalgamation Committee suggest that rate payers (as well as council) thoroughly investigate the amalgamation issue in an attempt to discover facts and make valid comparisons between St. Albert and Edmonton.

Signed J. G. McBroom.

Silhouette of Hats

A New York designer recently commented that no fall or winter ensemble was complete without a hat.

Hats were much in evidence when St. Albert WI sponsored "Silhouette of Hats" on Oct. 13 in the St. Albert Community Hall.

Ladies modelling were: Marg Drysdale, Arlene Anderson, Doris Whitton, Mildred Burton, Kathleen Richardson and Mrs. Walter Borle.
On Oct. 24 the WI will

hold their 21st anniversary for members and their husbands in the St. Albert Community Hall. Supper at 6:30 p.m., with an interesting and entertaining evening planned to follow.

St. Albert A.A.

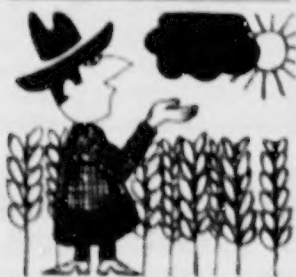

The St. Albert Alcoholics Anonymous Family Group meetings for families and friends of alcoholics are being held regularly every Tuesday at 8:30 p.m. in

the office of the Swimming Pool on Grenfell Avenue - next door to the Clubhouse.
For further information call Mrs. Joy C. Bertsch, Welfare Officer (Phone - 599-6601, ext. 34).

Have you ever wondered...

...if tomorrow will be a good day for haying or harvesting?

For the Alberta farmer, everything depends on the weather and knowing today what it will be like tomorrow is a great asset. Farm-slanted weather forecasts, prepared by an agriculturist working in consultation with the Dominion Public Weather Office, are issued daily to radio and TV stations and newspapers in the province by the Information Branch of the Alberta Department of Agriculture. Each forecast gives a Farm Weather Synopsis, which discusses TODAY'S weather and gives special advice on farming operations, and a Regional Forecast for tomorrow plus an outlook for the day after. The probable effect of the weather on farming operations is emphasized throughout. In addition to the agricultural weather forecasts, the Information Branch also provides information and news on farming and home-making through "Call of the Land" farm broadcast, news releases and other methods.

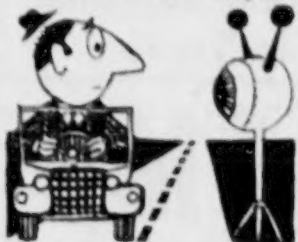

...how many pictures there are in Alberta's photo album?

Twenty-five thousand square miles of Alberta, about ten per cent of the entire area of the province, have their portraits taken each year. Over 100,000 of these aerial photographs are on file at the Maps and Aerial Photographs

Branch of the Alberta Department of Lands and Forests. Their purpose is far more utilitarian than ornamental because from these pictures, comes detailed information which allows the Branch to produce accurate and up-to-date maps of the province. For example, each year, maps of the recreational areas in the Rocky Mountain Forest Reserve are updated to provide hunters and fishermen with detailed information as to highways, trails and waterways. In addition, enlargements from the aerial photos are excellent tools for farm planning, oil company surveys, and water resource studies.

...about the purpose of those strange-looking instruments you sometimes see set up beside Alberta highways?

Well, it could be to measure your speed but it's just as likely to be to measure the quality of the highway you're travelling on. The Research Council of Alberta, working with the Alberta Department of Highways and the U. of A., is carrying out an extensive search for methods to improve highway construction through improved design techniques and new material specifications. In addition to laboratory studies on the materials being used, field investigations are measuring riding qualities and structural stress, sub-grade characteristics and moisture tempera-

ture factors. The purpose is to produce the formula for a highway which will give the greatest travelling comfort and the longest life at the lowest cost. This is just one facet of Research Council activities. Assistance to industry through information services, engineering and research programs and raw material investigations; studies of natural resources, developments of new products and processes using Alberta raw materials, and development of products suited to Alberta markets are all major factors in the operation of the Research Council of Alberta.

...how you can prove you were born?

If you're a native Albertan, the solution is simple. Your birth certificate is on file (along with 1,299,999 others) at the Division of Vital Statistics, Alberta Department of Health, where the records date back to the days when Alberta was still a part of the North West Territories. There is provision for recording each birth, death and marriage in the province with this Division. Today, weekly reports from 170 District Registrars and monthly reports from issuers of marriage

licenses keep the records up to date. For a fee, and with proof of your identity, you can obtain a copy of your birth or marriage certificate, or a death certificate when necessary. This service is invaluable for old age pension applicants, social agencies and other areas where proof of age is needed. The Division of Vital Statistics assists in compiling the national records by providing micro-filmed copies of its documents to the Dominion Bureau of Statistics, and provides an international service by making its records available to all members of the United Nations.

...what procedure is followed in permitting a teacher from a foreign country to become a part of the Alberta school system?

All foreign teachers applying for a position within Alberta's educational system are screened carefully by the Teachers' Certification Branch of the Alberta Department of Education. First, it is determined if they obtained their training in an institute which maintains the standard acceptable to the province. Then, they must submit a University transcript of their study program. If their academic credentials are acceptable, they are asked to provide a tape recording of an interview with a person fluent in English. This establishes the ability of the applicant to speak the language. References as to teaching ability and personal acceptability are also required. In addition to screening foreign applicants for teaching in Alberta, the Branch also assesses foreign students for their place in the school system.

...if those strange-looking insects appearing in your garden are friends or foes?

Often, it takes the eye of an expert to distinguish between a destructive insect and a useful ally. To obtain the services of the experts in such identification, just check with your local parks department or your district agriculturist. If they can't identify the insect in question, they'll call on the Alberta Department of Agriculture Crop Clinic. There the trained staff, working in a fully-equipped laboratory, will decide whether the species should be destroyed or protected. This same service is obtainable for the identification of questionable birds, animals and plants. In addition, the Crop Clinic plant pathologist advises on the nature and treatment of diseases of plants, be they agricultural crops or ornamental shrubs. Every year, the Crop Clinic identifies the diseases of, and suggests treatment for, over 1,500 submitted samples of field, fruit, vegetable and special crops, as well as household and garden plants.

so Social Credit can go on its merry way, soaking the poor to pay the rich, confident in the belief that next time around the electorate can be hoodwinked once again into voting against its own interests.

During the election this year, the N.D.P. promised to take the education tax off the back of the property owner and put it into general taxation where the big companies who employ our children, after we have paid to educate them, can pay their share. Social Credit's solution was the \$50 home-owner grant.

I received the application form for the \$50 with my 'ax notice. I was given 30 days to pay my taxes. I do not expect to receive my \$50 until 1968 as many of us did not get our 1966 home-owner grants until 1967. In any case, it will still leave me \$74 in the red. Big Deal!

Amalgamation? This will plug the gap for a while, but we will get less than we pay for. At present the snow plough reaches Jasper Place in the spring; in St. Albert we could expect it sometime in mid-June!

We have one consolation Mayor Fowler's letter during the provincial election warned us of the consequences of electing an M.L.A. other than Social Credit.

Think how badly off we would be if we had elected someone not on the Government side of the house!

Norman G. Dolman.

Anglicans at Seminary

Beginning this Sunday 11:00 a.m. service and Sunday School will be held at St. Joseph's Seminary instead of the Nickerson School. For the time being the 9:00 a.m. service will be discontinued.

The Anglican Church reports it is most grateful that at long last their services can be held in a church building and are grateful to the Roman Catholic authorities for the privileges they have extended to them. The Seminary is located on the east side of the highway to the city just south of Jasper Auto Parts and Salvage. Rides may be arranged by phoning Mr. or Mrs. K. Eason, 599-3465.

Lions Report

Well, here we are in the throes of winter and a promise of more of the same to come. Of course, with the new season fast approaching there are quite a number of activities on schedule. But before going into that, let's review a couple just completed.

For those who missed the barbeque held at the home of Lion "Doc" Cuts, it was a dandy. Some 50 members, wives and guests attended and the glowing reports circulating would indicate that our committee did a bang-up job.

The 1967 light bulb campaign resulted in the sale of approximately 1,000 bulbs and netted us a healthy profit of \$600. The committee are more than pleased with the results. It was the tremendous response of the membership as a whole that made this activity the overwhelming success that it was. About 90 per cent participated in the job.

The review of members delinquent in dues and for attendance was carried out by your board of directors. This review resulted in the dropping of five members, and should serve as an indication of the importance of attendance and dues being kept current.

October is designated by International as membership development month. Every club needs new ideas, new vigor, enthusiasm and a fresh approach. One sure way of getting all these things and fortifying a club is by introducing new members to the cause of Lionism. Someone cared to invite you into the fellowship. Turn in your "Proposal" forms to Lion Ed Dunik just as soon as possible and they, in turn, will be processed by your board in October. Return your membership questionnaire as directed.

Hallowe'en candy for the magic night Oct. 31, Lion John Huberdeau has solved your problems, three different bags, the cost is 89¢ for 101 candies, also bags of 2¢ chocolate bars in 2 varieties. Give Lion John a call today.

Lion Past President George is in the hospital.

"Mother," the young man sobbed, "I was away for three days on a business trip I wired my wife I'd be home last night, and when I got there I found her in another man's arms. Why, mother, why? You're a woman—tell me why?"

After a moment of silence, mother replied "Maybe she didn't get your wire."

United Church News

Last weekend the thirtieth Annual Banff Conference for Men was held at the Banff School of Fine Arts. The theme speaker was the noted American Bishop, Rt. Rev. James A. Pike, one of the fascinating and controversial figures of today's North American scene. For the third successive year, St. Albert United Church was represented at the Conference by an increasing number of men. This

year nine men of the congregation attended: Messrs. G. Tooke, S. Rindero, A. Ralphs, D. Taylor, M. Lyle, Art Cunningham, Dr. W. Cuts, and two High School students, Don Clark and Brian O'Toole. Brian's attendance was sponsored by the congregation. All those who attended report a week-end intensely stimulating, with the main theme "God and His Purpose" uppermost in the discussions.

TOWN COUNCIL PRESENTS SCROLLS

Continued from page 4

building inspector that provided, in the opinion of the staff, that the appeal can be handled by council without undue expenditure of time, that the staff were authorized to place these appeals on the council agenda and that the closing time be extended to 5 p.m. on Mondays on days which there is a council meeting.

A councillor said he had noticed that Jasper Auto Parts had quite a mess on this side of the fence and would ask that the staff request them to put their rubbish behind the fence. Mr. Fleming stated that the problem had been noted and that he was discussing this matter with Mr. Abram.

It was brought up that the resolution passed at the public meeting on Oct. 4 should have been placed on the agenda for this meeting. It was pointed out that under the town and village act the town was under no obligation to provide a recording secretary or to do anything other than provide a place for the meeting to take place. The resolution passed at this meeting stated that the council of St. Albert should have hearings on the subject of amalgamation early in 1968. Mr. Bakker felt that we should invite written briefs on amalgamation or alternatives thereto and set a deadline for these briefs and thereafter hold the hearings. March 31 was set as the deadline for these briefs.

Mr. de Bruijn brought up the subject of the possibility of forming an Urban Rural County with St. Albert as the County seat. He stated that the boundaries could be set up which would encompass the north eastern section of the City and would relieve the M.D. of Sturgeon of the problems that they face with regard to small subdivisions. He stated that this would be

a pilot project and that St. Albert would have definite advantages in this project such as the control of the "Green Belt" which could be developed at the leisure of the town and not turn into a smoke filled industrial area developed by Edmonton growing out of the Bonaventure industrial park. He stated that in his opinion the town should be a leader in this matter and should have a study made and a report prepared along these lines. Council definitely felt that this matter was worth looking into.

The other item he brought up was that of budget deadlines being set for departmental use early in Dec. so that the mill rate could be struck as early as January of the following year. Council were in favor of this but felt that perhaps it would be difficult since the school boards do not prepare their budgets this early and they also felt that the Local Authorities Board would not approve a budget with the school board mill rate omitted.

The item of budget deadlines was placed on the agenda for the next regular meeting and in the interim that the secretary/treasurer was requested to obtain a ruling from the Local Authorities Board as to whether or not the town can estimate the mill rate of the school boards.

Mr. Wheatley stated that he had been asked why men were recapping the streets on Saturdays, thereby benefiting by overtime pay. The town engineer stated that due to the lateness of the season and the amount of work which had to be done that they were taking advantage of every opportunity which presented itself, not only for recapping but for other necessary jobs. Mr.

Fleming informed council that the matter of overtime was under review.

Mr. Gibbon thanked all the staff and department heads for being very helpful during the time that he was deputy mayor in Mayor Fowler's absence.

The garbage surcharge will be dropped effective the last billing in 1967.

There were several matters which had to be brought up at a special meeting of council which was called for Oct. 16.

Mr. de Bruijn was appointed a committee of one to further his study with regard to his proposal of a rural urban county.

Mr. de Bruijn stated that as the Hercules Pee Wee Soccer Team had won the provincial championship that they should be congratulated for bringing this award to the town of St. Albert. He felt that the mayor should follow this up

Council briefly discussed the possibility of a special moment connected with the town's history to be given out for awards of this sort.

Mayor Fowler stated that he would like to congratulate Deputy Mayor Gibbon for the excellent method of handling the Mayor's job while he was away.

He also stated that he would like to thank councillors Bakker and Wheatley for the fine jobs that they had done during their tenure of office and that he hoped that they would both regain their seats on council in the forthcoming election. He stated that it was unfortunate that there were people in this town who were ready to be embraced by the City of Edmonton and sell the Town and 106 years of history of the Town of St. Albert, down the river. He wished the two councillors every success in the forthcoming election.

Less Garbage

An announcement over the PA system at St. Albert High School on Oct. 18 asked students to use the garbage containers in the barley field as they went down town.

The containers have been placed there as a result of

complaints that students eat their lunch on the way down town and throw away bags and so on in the field.

As long as the students do use these containers this should settle the problem.

ADD-A-PHONE

for her convenience

For the lady of the house, a color extension phone saves time, saves steps. Add one in the kitchen, bedroom, or family room, in her favorite decorator color.

Page 1 WEDNESDAY, OCTOBER 18, 1967

Stella Killian Qualifies

W. J. Fitzpatrick reported to the Thibault School Board meeting that Miss Stella Killian qualifies for the Thibault R.C. Public School Scholarship of \$100, for the year 1967-68.

The meeting was held on Oct. 3 with the following present: Chairman Riopel, Vice Chairman Chalifoux, Trustees Krauskopf Kryskow and Tellier.

Concern of the board of trustees in the increase in the number of underage children taking to smoking was discussed.

A letter will be sent to Constable Dubord advising him to investigate the possibility of curtailing smoking habits by underage

children, through some existing government act.

The Board approved a \$50, per month boarding allowance in lieu of transportation to Lucien Gibeault and to Octave Himschoot who are enrolled in St. Mary's Technical School, effective Sept. 1.

The Board strongly recommended the retention of the present policy of four report cards per year. Secretary-Treasurer is to advise the principals accordingly.

The Board will invite the teaching staff to a Staff Board Supper meeting to be held on Nov. 14 and that Father Primeau and Father Beaupre also be invited.

Scholarship For Emilie

EMILIE PREFONTAINE

LEGAL

Miss Emilie Prefontaine who has been awarded a proficiency scholarship in leadership for young people awarded by the Farmers Union and Co-operative Development Association. This scholarship entitles her to attend the F.U. and C.D.A. Graduate Seminar at Goldeye Camp.

Marketing Slow

Farm marketings in Western Canada are picking up now that the harvest is about complete, but they are still not large and, as a result,

hedge selling in rye, rapeseed and flax has been smaller than expected.

It may be that farmers are disappointed in prices

for rye and rapeseed and are storing their crops for this reason. However, flax prices are good so that the lack of marketing here could be for tax reasons. Producers delivered good quantities last year of all grains and oil seeds and may feel that they would rather wait for the new tax year before marketing any large quantities of this year's crops.

Operation Grub Control

Operation Grub Control was launched in the M.D. of Sturgeon at a Field Day held at the Lawrence Kluthe farm last Tuesday. Agricultural fieldmen Don England and J. Shenfield demonstrated the methods of applying grub control systemics on cattle. A portion of the Kluthe herd was treated with Negovon pour on and the remaining animals got a thorough spraying with Co-Ral. The thirty farmers present were amazed with the ease and speed of the operation, with some 50 head of cattle being treated in less than a half hour. The pour on treatment was applied as fast as cattle could be put through the chute with the application taking only a few seconds per animal. The spray operation was equally as fast as the high pressure sprayer wetted the animals with one pass of the gun.

Following the treatment of the herd, Stan Powers, district agriculturist, briefly outlined the value of grub control. He indicated that tests have shown that treated steers in a feed lot gain upwards of 1/3 of a pound a day more than untreated steers.

Over a 120 day feeding period, treated steers would weigh an added 40 lbs. on the same amount of feed consumed for an increased return of at least \$10 per animal. Further to this he said that all cattle marketed during the spring are subject to a "grub discount" of one half to one cent a pound which constitutes a loss of \$5. to \$10. per head. In total a loss of some twenty dollars per head due to warbles which could be prevented by an expenditure of fifty cents.

Mr. Lloyd Petersen, supervisor of Pest Control for the department of agriculture, spoke to the gathering and outlined the technical aspects of chemical warble grub control and experiences of farmers in other areas in similar control programmes. He stated that in the Forestburg district the warble fly was virtually eliminated in a 5 miles square area after two years of treating every head of cattle within that area, and remained free of the fly for several years without further treatment. For adequate control he said, a community or district programme would have to be instituted to ensure that all cattle would be treated to prevent annual re-infestation.

Don England, agricultural fieldman with the municipal

district of Sturgeon, then outlined his plans for establishing a "Control Area" in electoral division number 5. He stated that he had obtained the assistance of several farmers in that area to get all cattle in the area treated on an organized basis. He stated that he and his assistant, J. Shenfield, would be travelling through that area during the next month assisting farmers where necessary to apply the chemical and ensuring that all herds in the area would be treated. He suggested that each farmer treat his herd at a time most convenient to themselves and not wait until visited by one of the fieldmen or district captains. Farmers wishing to apply a spray treatment rather than pour on were asked to advise him as early as possible so that a spraying schedule could be arranged if necessary. He urged every farmer in the municipality to treat all cattle as early as possible to ensure they get good control with the least affect to the animals. Chemicals for treatment were being made available through this office to facilitate the programme where they were not readily available through retail channels.

At the week end Mr. England indicated that the programme seemed well under way with numerous farmers indicating to him that they had treated their animals and many more were purchasing chemical for treatment in the near future.

Mrs. Brennies Heads 4-H Club

On Oct. 11 a re-organization meeting of the Morinville 4-H Clothing Club was called by Mrs. M. Hemming, Home Economist for the M.D. of Sturgeon, to proceed with the re-organization of the local club.

Mrs. Rita Borle, past chairman, opened the meeting in the Morinville recreation centre, with four mothers and 15 girls present.

After a short appraisal and discussion period, it was agreed that leaders should be called for and the work programme established for this term.

Mrs. Ambroise (Rose) Brennies, volunteered to chair the group as leader, and Mrs. Nick (Alice) Woytkiw also volunteered to be-

come assistant leader.

These ladies, mothers of last year members, were unanimously chosen by the girls as their 4-H leaders for 1967-68.

On Oct. 17 another meeting was called to establish the various committees and junior leaders.

Both Mrs. Brennies and Mrs. Woytkiw are to be congratulated for accepting the tasks as 4-H Clothing Club Leaders, and it is hoped that all mothers will co-operate and support these ladies who are going to give time and effort with no pay to promote a constructive programme for the young girls who are interested in sewing and good house-keeping habits.

Regrets On Resignation Of Mayor

Resignation of Henry Ramsay as mayor of the town effective Sept. 23, was received with regret at the Sept. 26 meeting of the Morinville Town Council.

Secretary was advised to acknowledge this resignation, and express the council's deep appreciation for Mr. Ramsay's services to Morinville during his terms of office as councillor and mayor.

Those present at the meeting were: Deputy Mayor Stapleton, Councillors Blackburn, Calder, Chalifoux, Champagne, and Ouellette.

Mr. Ouellette was appointed acting mayor until a special election is held to fill the mayor's vacancy.

Nomination date is Nov. 8 to fill vacancy caused by Mr. Ramsay's resignation.

Paul E. Brochu was appointed returning officer for the special election to be held on Nov. 29. Polling Station to be the Town Office.

The Acting Mayor or in his absence the Deputy Mayor or with the secretary treasurer will be the signing

officers of the Town.

The Municipal Inspector's Report was read by Mr. Ouellette.

The acting mayor will acknowledge receipt of this report to the deputy minister of municipal affairs and advise him that recommendations will be acted upon.

Council discussed sale price on Lots 13, 14, 15, Block 2 Plan VIII A.

The following prices were set:

Lots 13, 14 Block 2 Plan VIII A \$1150, Lot 15 Block 2 Plan VIII A \$500.

Sturgeon Health Unit For Day Nurseries

Some years ago, a well-known psychologist found that a large proportion of juvenile delinquents had been separated from their mothers in early infancy. He also demonstrated the abnormal behaviour shown by babies brought up in institutions.

This work had some good effects - for example, the vigorous agitation against

the strictly limited visiting hours which used to prevail in children's hospitals.

But there were some unfortunate consequences.

Widespread misinterpretation of this work led to the popular belief that any period of separation of mother from child was harmful, and this caused much unnecessary anxiety in parents. Only recently has the hypotheses

Adult Education

Adult education will again be offered by the Thibault School District. The program is designed to give any interested adult an opportunity to improve his educational background.

This fall the following courses will be offered on a credit basis: Typing 10, Typing 20, Bookkeeping 10, and Record Keeping 10. Classes under the direction of a qualified teacher will be held every Wednesday from 7 - 9 p.m., at the Georges Vanier School starting November 15.

Tuition fees are thirty-four dollars per course and text books will be available on a rental plan basis. Interested adults are reminded that registration will take place Friday November 3rd at Georges Vanier School from 1:00 - 4:00 p.m. For additional information please feel free to phone the school (256-3285).

Coronado UCW

Coronado -- On Oct. 4 the U.C.W. Unit 11 meeting was held in the Coronado Hall with nine members present.

The devotion was given by Pat Briggs entitled 'Moods'.

The main topic of the evening was the sewing classes to be held on the 24, 25, 26 of October.

The November meeting will be a joint meeting with Unit one at the Coronado Hall.

For role call, members will bring a gift for the patients of the Alberta Hospital.

Lunch was served by Edith Visscher and Pat Briggs.

NOMINATION NOTICE

M.D. of Sturgeon No. 90

Public Notice is hereby given that I will attend at Morinville on Sat. the 4th day of November, 1967, from three o'clock in the afternoon to four o'clock in the afternoon for the purpose of receiving nominations for the office of Councillor.

2 Councillors to be elected

Councillors are to be elected for the following electoral divisions:

Division #3
Division #4

Given under my hand at Morinville this 16th day of October, 1967.

Clive R. Potter,
Returning Officer

For your information the following veterinarians will be taking care of the vaccination of calves this fall on a voluntary basis in the Municipal District of Sturgeon No. 90:

North of City of Edmonton and St. Albert area
Dr. Andrews - General Veterinary Hospital, 11403 - 143 Street, Edmonton, Phone 454-8691.

West and North of Morinville - Dr. Korompay, Morinville, Alberta, Phone 256-3236.

Gibbons and Bon Accord area - Dr. Lamoureux, Fort Saskatchewan, Phone 543-3552.

Alphonse Nobert
Secretary Treasurer

Dennis Himschoot Heads MYRC

DENIS HIMSCHOOT

At a recent meeting of the Morinville youth recreation committee when elections for the 1967-68 term were held, Denis Himschoot 18, son of Mr. and Mrs.

Armand Himschoot of Morinville, and Grade XII student in 1967, was elected President, after holding the vice-president position last term.

Other members of the 1967-68 MYRC executive are vice-president, Denis Beland; secretary, Miss Denise Chevalier and treasurer, John Dinnery. Other members are Miss Colleen McDonald, Denis Charest, Paul Houle and Gerard Borle Renee Chevalier, ex-officer is on executive as president of Student Union.

The Community needs planners and workers, let's hope that MYRC will do good constructive work, and contribute to the progress of the social programme for young and old.

Sturgeon Health Unit
Continued from Page 1

been disproved; it was the lack of an environment of loving care which produced the severe changes in personality.

There has never to my knowledge been any evidence that children attending day nurseries suffer ill-effects. All that scientific investigation has revealed is that they suffer more frequently from some of the infectious diseases such as measles.

In some areas the day nurseries meet a real need. For instance, they cater for the children of mothers who must work for financial reasons, for the children of highly trained, professional women, whose services to the community are in demand, for the children whose mothers are ill or permanently handicapped or unmarried, divorced or widowed or perhaps in prison. Lastly they fulfil a real need for handicapped children. Often mothers taking their children to the nursery are "buying space" - they may

be living with in-laws or in crowded quarters.

When we bring a child into the world, we take on a responsibility to plan his development: mental, physical, and emotional. We should do so with thought, affection and understanding, with the object of preparing the child in the best way possible for life at school. For many children, going to school is the first test of life outside the home, a new social experience; and many children are ill-prepared for it.

I am in no doubt that the person best able to look after a child during the first two years of life is his mother. There may be circumstances, such as those I have already mentioned, in which necessity forces the mother to delegate that care and there is no reason why she should feel guilty about doing this. But most mothers will rightly want to look after their own children until the stage is reached when early signs of the forthcoming separation from the mother can be recognized. You will know the signs I

Morinville Memos

Some 50 residents attended the Public Forum sponsored by the Morinville Board of Trade, on Oct. 11, when all four candidates for the local town council expressed their views. An interesting question period followed.

Mr. John Woyzn, president, announced that another public meeting, will be held on November when the residents will go to the polls on Nov. 29 to elect a Mayor and if necessary a councillor. So far two have expressed their intentions to contest the Mayoralty race: Arthur Stapleton and Roger Blackburn, both senior town council members.

On Oct. 10, Rev. Father George Primeau, Pastor of St. John Baptist parish called a public meeting, via the church bulletin, to discuss the establishing of a community recreational board to be known as the Morinville

mean. When he strikes out for an excursion on his tricycle alone and without permission, when he no longer carries his teddy-bear or other inseparable possession around for most of the day, when the fear of strangers which he acquired around the first birthday is slackening, when he can be left with a neighbour while mother goes shopping, when he begins to play not just alongside, but with his contemporaries.

Then he is ready to go to the play group, to learn new skills in realistic situations, to form friendships, to act out the adult life which has been absorbed in such detail.

In imitative dramatic play children become shopkeepers, postmen, parents, nurses, waiters, kings and queens. The field of exploration

Continued on Page 3

recreation board. Some 75 persons were present including about 25 students. Rev. Primeau explained the purpose of the meeting and illustrated how it could be set up.

The response was not enthusiastic, as it was pointed out that the proposed four head organizations would not be acceptable to all. Father Primeau also requested the opinion about changing the Frontier Daze to an International Festival. No decision was made on this proposal at the meeting.

Public opinion poll taken after the meeting revealed that everyone would support the recreation board providing that the town council would draft it and appoint other representatives to the board.

Those reported in hospital as of Oct 13 are Mrs. J. W. Tellier, Arthur Logan and Mrs. Olive Lesburg.

Mr. and Mrs. Alphonse Kremer welcomed their first born, a daughter, Jamie Sue on Oct. 7.

Mr. and Mrs. Amor Middleton, had a special Thanksgiving bundle, an eight pound son, Ward Ian, born on Oct. 9.

Mr. and Mrs. Philippe Tailleux are resting at home until they are welcomed at Youville.

Leon Kremer son of Mr. and Mrs. Joffre Kremer, who had an emergency operation on Oct. 10 came home on his own two feet on Oct. 13.

August Krauskopf, the first blacksmith shop operator in Morinville and the second groom to be married in the present church, left last weekend for Youville Senior Home. He will be joined there later by his wife, who is now a patient in Glenrose Hospital.

Oct. 15, Wilma Vandemuysen, celebrated her 7th birthday, with a surprise party held at her home with eight classmates and friends present. Linda and Louise Rother were hostesses and a gay time was had by all. Wilma is the only daughter of Mr. and Mrs. Tom Vandemuysenberg.

John Saunders and Nick Woytkiw accompanied by two

friends from the city came back with a deer from a big game trip.

Guy St. Germain came back from west of Edson with a full quota of geese.

A new gas station is now operating on main street in Morinville. It is the Husky Gas Station located west of the track. Sunday customers will now get service in Morinville.

It has been reported that Eugene Pelletier has purchased the property south of Pelletier Ford Sales and Service and will soon build a modern car wash on the location.

Morinville will soon get rid of an old relic, the former community hall built

years ago by the late John Graff and the late Johnny Lamarre, and a few old timers still in the district. It has been closed for a while. A new spacious modern fire hall will soon be erected on the property.

Bon Accord Community History

Following a lengthy period of preparation and research, the residents of the Bon Accord District will be pleased to hear that the Community History is now underway. Mrs. Sylvia Walsh (nee Kuzyk) is editing the book and Mrs. C. Neilson is handling the typing. Mrs. J. Milligan and Mrs. W. Chubb are collecting and organizing the material, assisted by Mrs. J. George.

The first rough draught is now being typed and the last call is going out for more information. We require information on the following people, or families. If one of the names mentioned happens to be a bachelor whom you knew well, why not sit down and write all you know about him?

Claude Thornton, Teddy Sleep, Whitford, Shand Davidson - Ed & Wm. Pollard, Mullen, Schofield, Boutwell, Fred Robbins, Bert Groat, Middleton Hall, Herb Whittaker, Mulchahy, Morris, Sellic, Hewitt Pengelly, Wm. Strawson, Proctor, McBride Briggs, Andy Berry, J. George, R. Cunliffe, S. Waters, Fred Halliday, G. Shively, J. L. Rickard, Ben Higgins.

We understand that histories of the following families are being prepared. Please forward them to us at the earliest opportunity: Rafn, Sloan, Rigney, Jenkins, Milligan, Hodgins, Hancock, Owen and C. Hall. We may have missed someone! All families settling in this area up to and including 1925 are asked to submit a history - however, brief.

Histories of the following organizations are also required:-

The Community Centre and Ladies Community Club (include the building of the hall); The Board of Trade (including a history of the townsite); R.C. Air Cadets; 4-H Clubs; Bon Accord Lions; F.U.A. & F.W.U.A. The Anglican Church; The skating rink committee and the baseball committee.

We would especially ask the above groups to submit pictures of any community events which they feel would add to the interest of this book.

Sturgeon Health Unit
Continued from Page 2

ation widens and they become confident and secure. Separation from mother is tolerated, not of necessity but according to a planned acceptance, formulated for the individual child.

The play-group and nursery school do not replace the home, they extend it. While the latter have the advantage of better facilities and trained staff, play groups run by mothers can, in my view, help so much in the child's physical, emotional and social development that they should come to perform an accepted part of the social life of our community.

Dr. J. M. Howell, M.B., D.C.H., D.P.H.
Medical Officer of Health
Sturgeon Health Unit.

WEDNESDAY, OCTOBER 18, 1967

For the war record we would ask citizens to let us have names of veterans whose names do not appear on either of the following lists:-

First World War - 1914 - 1918

Fred Halliday, Jack Whitford, Walter Strawson, Bert Briggs, Bert Sloan, Bill Sloan, Fred Pierce, Fred Pollard, Doug Coverley, Bill Carpenter, Art Higgins, Jim Payne, George Bland, Dr. McKinnon, Elwood Shrigley, Arthur McCrimmon, Ted Haythorn, Frank Sissons, John Lewis.

Second World War -

1939 - 1945.

Hugh Allen, Ted Alford, Bob Alford, Clyde Buchanan, Walter Chubb, Norman Chubb, Roy Chubb, Earl Carruthers, Eldon Carruthers, Tom Duke, Frank Everitt, ??Ford, James George, Norman Hewitt, Marshall Hewitt, Oswald Horton, Donald Horton, Nellie Hall, Phyllis Hall, Jim Hall, Tom Hall, Robert Jenkins, Archie Jenkins, John Morris, Mae McEachern, Geoffrey Milligan, Agnes Milligan, Allan Mulligan, Harry Mulligan, John Nahrnak, Leonard Owens, Robert Schneider, Myron Schneider, Harold Schneider, Duddy Strawson,

Irwin Strawson, Dennis Strawson, Roy Sissons, Jim Whittaker, George Whittaker, Clarence Rhinehart, Ivan Christenson, Philip Criss.

Pictures and/or stories are required on any outstanding events such as: drought, excessive rainfall, excessive snowfall, hail, severe cold, bumper crops, fires, weddings and celebrations. We want stories of humorous incidents.

Pictures with approximate dates accompanied by a short explanation for the following: farming activities and farm machinery, horse-drawn vehicles and early cars, road building and railroad building and the oil wells.

Bon Accord - Mr. and Mrs. George Bland (nee Mrs. Gertrude Booth) who were married recently at the Oak Hill Chapel are receiving congratulations here. Mr. and Mrs. Bland will make their home in Morinville.

Debts From Everywhere

"Of the \$7,100,000,000. Canadian consumer debt, only about one billion is owed to loan companies, credit unions, or sales finance companies.

A half-billion is owed to department stores, and another half billion to insurance companies. Jewellery and clothing and fuel dealers lay claim to \$400,000,000. And a fourth that much is owed on service station credit cards. That leaves over four and a half billion due to banks, since the total given doesn't include mortgages nor medical bills."

Chuckles

Hair is a problem with both sexes; with women it's tint, with men, it ain't.

Adult education is what goes on in a household containing teen-age children.

Rates Up \$5.00

Rates charged at the provincial senior citizens homes in Edmonton will go up by five dollars January 1.

The charge for double occupancy will be 70 dollars while a single will cost 80 dollars per month.

Persons in self-contained

house-keeping units will be charged up to 40 dollars for single and 50 dollars for a double unit.

The new rates have been authorized by the province and the greater Edmonton foundation which operates the homes.

Cullen W. McGillis

Basic Old Age Pension Up

The basic federal old-age pension will rise to \$76.50 a month from \$75. next year under the automatic cost-of-living increase, informants say.

Coincidentally, the increase is the maximum permitted under the federal formula which hinges principal pensions to cost of living increases. The minimum is one per cent.

The two per cent increase goes into effect at the beginning of 1968. It will also apply to the federal old-age supplement and to those who receive retirement payments under the national contributory pension plan.

The maximum old-age supplement will rise to \$30.60 a month from \$30. Therefore the pensioner receiving both the \$75. flat figure and the full supplement will have his monthly income raised to \$107.10. The increase is \$2.10.

EGGS: With outside egg markets being soft some concern is developing.

POULTRY: Edmonton dealers are holding their egg paying prices in spite of the soft market outside the Province.

Turkey marketings continue steady; new Board prices accepted by processors. The hen turkey market is quite firm but heavy toms draggy at this time.

NAMAO NEWS

The Namao 4-H Beef Club held its reorganization meeting on Oct. 2 in the Namao School. Allan Sweetnam has replaced Harold Paul as club leader. Assistant leaders are Mr. and Mrs. Don Cameron, Tom Eastland and Don Danard. The main business of the evening was an election of officers. Ken Danard is president, Bob Cameron vice president, Maurice Lowe treasurer, Maureen Sweetnam secretary, and Bruce Huff club reporter. There were fourteen members present including five new members. The new members are Kent Sweetnam, Dwayne Ash, Gwen Eastland, Tommy Bowman and Michael Osadchuk.

Plans were made to purchase our calves as soon as possible.

Group 1 of the Namao U.C.W. met Oct. 11 at the home of Mrs. Betty Samis. The annual fall supper will be held in the community hall commencing at 5:30 p.m.

The Namao 4-H Garden Club will hold its reorganization meeting on Oct. 23 at 8:00 p.m., at the home of Mrs. Gladys Gibson. All interested people who will be twelve years old by Jan. 1, 1968 and their mothers are welcome to attend.

The Sturgeon Valley 4-H

Dairy Club held its reorganization meeting on Oct. 5 under the leadership of Melvin Clark.

Election of officers was held with the results as follows: Arthur Tolsma, president; Brian Clark, vice president; Joan Ebbers, secretary; Doug Crozier, treasurer; and Francis Huber, club reporter.

The adult committee consists of John Bockock, Reg Crozier, Albert Ebbers, Wayne Undersultz, Harry Pederson. Program committee consists of George Talsma, Jim Crozier, Lorne Okerman and Walter Kok. Members of the entertainment committee are Gloria Cinnamon, Jacob Folkema, Henry Van Ve Vliest and Harrold Hoffstra.

First year members are Arthur Tolsma, Lorne Okerman, Walter Kok, Gloria Cinnamon, Henry Van Vliest and Harrold Hoffstra.

Meetings will be held on the first Wednesday of every month.

NOTICE

Effective Nov. 6, 1967, the stores in the Village of Legal, will remain closed all day Monday and will remain open all day Wednesday.

In the event that there is a holiday on Saturday, the stores will be open on the following Monday.

Receipts	Cattle	Calves	Hogs	Sheep
This Week:	6810	4700	2050	550
Last Week:	7486	5000	2573	500
Last Year:	6271	4194	2509	664

Week Ending Oct. 12, 1967.

Summary: Allowing for the holiday week receipts were fairly heavy on the Edmonton Stockyards. Offerings were largely replacement cattle, calves, and plain quality cows. Trade was moderately active on most classes. Slaughter cattle were scarce with only a sprinkling of choice steers and heifers selling steady throughout. Choice steers sold to 28.50 with a few sales to 28.60. Choice steers sold to 28.50. Choice butcher heifers showed a little strength as the week closed topping 25.75. Butcher cows opened steady but with a heavy run of plainer quality, they were under pressure as the

week closed with the plainer generally 50¢ lower. Bulls a full 50¢ lower throughout. Veal and heavy butcher calves sold 50¢ to \$1.00 higher. Replacement steers and heifers were in good demand selling 50¢ higher for good kinds. Stock steer calves were uneven closing \$1.00 to \$1.50 lower for the quality on offer. Stock heifer calves were generally steady to firm. Slaughter Cattle - Closing Prices - (Last Years in Brackets)

Choice Steers 28.00 to 28.50 (24.00 to 25.00), Good 26.50 to 27.50, Medium 24.50 to 25.50.

Choice Heifers 25.00 to 25.50, (22.00 to 23.00), Good 24.00 to 25.00, Medium 22.50 to 23.50.

Good Cows 16.00 to 17.00 (15.50 to 16.20), Medium 14.00 to 16.00, Canners, Cutters and Shells 11.00 to 13.50.

Good Bulls 17.00 to 18.00. Common, lights and fats 16.00 to 17.00. Feeder Cattle.

Good stock and feeder steers 25.00 to 27.50 (23.50 to 25.00), Common to medium 18.00 to 24.00.

Good stock and feeder heifers 22.00 to 23.50 (19.50 to 21.50), Common to medium 17.00 to 21.00, Stock Cows 14.00 to 18.00. Calves.

Good to choice light veal 23.00 to 25.50 (23.00 to 26.00), Good heavy butcher calves 22.00 to 24.00.

Good stock steer calves 28.00 to 30.50, (26.00 to 28.50), Common to medium 21.00 to 27.00.

Good stock heifer calves 22.00 to 24.00 (21.50 to 23.00), Common to medium 17.00 to 21.00.

Hogs: Grade "A" hogs opened Tuesday at 26.10 Dr. Wt. Steady Wednesday and unsold Thursday. A few Sows ranged from 13.00 to 16.50 per cwt. Live Boars 8.00 to 9.00 per cwt. 1100 Feeder hogs ranged from 19.10 to 26.00/cwt for heavier kinds and from 7.50 to 18.25 each for weaners and light feeders.

Sheep and Lambs: Good to choice butcher lambs steady selling 18.50 to 19.50 per cwt. Good feeder lambs ranged from 18.00 to 21.50 per cwt.

Harvest

The prairie provinces have experienced excellent harvest weather with crops coming off in good condition with little degrading due to weathering. A recent estimate places the 1967 Prairie wheat crop at 526 million bushels.

In Ontario, harvesting of corn silage is now general with good yields. Pastures have stood up well to date and the recent dry period has allowed farmers to store excellent quality second cut hay. Quebec and the Maritimes report difficult grain harvesting conditions due to wet weather resulting in lodging problems. Hay quality has also been reduced, but yields have been good.

WATER EXTENSIONS

On 50th Avenue from 46th Street to 45th Street.
On 50th Avenue from 45th Street to 44th Street.

Legal Water Extensions

The council of Legal has prepared a by-law for the extension of water in the village.

They hope to borrow \$61,500 to be paid over a period of 25 years to construct and install water feeder main extensions on the following streets: On 47 St. from 49 to 50 Ave., on 50 St. from 47 to 44 Ave., on 46 St. from hydrant at intersection of 52 Ave., on 51 Ave., from hydrant at intersection of 49 St.

If the by-law is passed it will also bring to Legal a reservoir inlet and intake, a pump-house, a supply line to the existing water distribution system and an automatic valve and appurtenances in the heater house.

The by-law is being advertised at present and if council receive no objections and if they see fit they will proceed to pass the by-law.

Legal Locals

Mr. and Mrs. Emile Clouthier were proud to welcome their first born Rene Paul on Oct. 14 weighing 7 lbs. 1 oz. Godparents are Mr and Mrs Paul Clouthier.

Mr. and Mrs. Omer Maurier accompanied by Mr. and Mrs. Charles Clement left by automobile for Expo. They will extend their trip to Rhode Island where they will visit relatives.

Mr and Mrs Andre Deslaurier have left by plane for Expo, while in Montreal they will visit relatives and return home with a new automobile.

A speedy recovery is extended to a number of Legal residents in the hospital, Mrs. Bugnet, Leon Prefontaine Jr., Denis de Champ-lain, Gaston Prefontaine, Mrs. Emile Parent.

Marlene and Daryl are happy on the arrival of their baby sister, Charmaine Denise, born on October 7, weighing 7 lbs. 5 oz. The proud parents are Mr and Mrs Real Champagne. Charmaine was baptized on Oct. 15 by Father Ricard. Godparents are Mr. and Mrs. Norman Pelletier from Edmonton.

Mr Joseph Coulombe passed away last week at the age of 73. Funeral services were held Oct. 12 in St. Emile's Church, Legal.

A reminder to the people of Legal and district, effective Nov. 6, that the stores in the village will remain closed all day Monday and will remain open all day Wednesday. In the event there is a holiday on Saturday, the stores will be open on the following Monday.

Village of Legal Public Notice of By-law

PUBLIC NOTICE IS HEREBY GIVEN that there has been introduced in the Council of the Village of Legal a by-law of which the following is a short synopsis:

This synopsis concerns the By-Law of the Village of Legal to authorize the Municipal Council of the Village to issue debentures for the purpose of constructing and installing water feeder main extensions on the streets listed hereunder, a reservoir inlet and intake, a pump-house, a supply line to the existing water distribution system, and an automatic valve and appurtenances in the heater house. The Village intends to borrow the sum of \$61,500.00 to be repaid in annual instalments over 25 years at interest not exceeding 7 percent per annum. The total amount of the loan will be paid for by the Village at large.

A copy of the by-law may be seen in:

1. The Office of the Secretary-Treasurer

and further that unless within thirty days from the publication of this notice five percent or two hundred and fifty of the proprietary electors, whichever is the lesser, of the Village petition the Council to submit such by-law to the vote of the proprietary electors of the Village, the Council will proceed to consider and if it thinks fit, to pass the same.
